

**Cllr. Jacqs (Jacqueline) Graham**

I have lived in Pilning since 1984 and have worked in South Gloucestershire schools since 2001. Having taken early retirement (working part-time only).

As I have enjoyed all the benefits of living in the area for almost over 35 years (I cannot believe it is that long!)

When my daughter was young, I helped run the local Toddlers' Group and Playgroup – I think it is time for me to give back to the Community, by serving on the Parish Council.
